

CONFIDENTIAL APPLICATION FOR FEES ASSISTANCE

This form is a request to vary your annual fee commitment to Larmerier Catholic School

In keeping with the Catholic identity of the School/College, that no child should be denied education due to low income and financial hardship, all requests for fee assistance will be considered. In fairness to all full fee paying families, you are requested to complete this form so that a balanced assessment of your financial situation can be made. All information provided is treated with the strictest of confidence.

Following receipt of this application you will be invited to an interview with a delegate of the School/College.

In order to consider your application, the School/College will require the following information:

- Completed and signed application for fees assistance
- Copies of your most recent income tax return and notice of assessment;
- Copies of your last three pay slips;
- Copies of Centrelink statements; and
- Copy of the most recent bank statement for accounts held.

Where the School/College has asked for this information and it is not provided, the School/College may choose to offer a lower level of remission, or may not offer a remission at all.
